Sir R. Falconer,
University of Toronto,
Toronto.

Dear Sir:-

Replying to your inquiry of May 25th, per Miss Patterson, I beg to say that I find some difficulty in making my recommendations for the coming year. Two of the assistant demonstrators, who acted last year are doing military duty, which occupies their forenoons, and therefore it is unlikely that they will be able to act during the coming winter.

The only two whom I can therefore recommend in the meantime as assistant demonstrators are Dr. Jane Sproule, 80 College St., and Dr. Edmund Boyd, 143 College St.

The two gentlemen who occupy the position of full demonstrators and are over-seas, are Lieut.-Cols. Gilbert Royce and Perry Goldsmith, whose names I presume should both be retained upon our lists.

In a former letter I applied to you for the recall of Lt.-Col. G. Royce to take on work during the coming session and I would be much obliged if you would take up this matter at Ottawa at once. I happen to know that Col. Royce is not in the best of health and that he would return to Canada willingly.

I have the honour to be,

Yours respectfully,

D. J. Gibb Wishart

Dr. C. J. C. Fisbert,

47 Grosvenor Street,

Toronto.

Dear Dr. Fisbart:

I have just written to Sir Edward Kemp urging the recall of Lt.-Colonel Gilbert Royce. Will you be kind enough to write to Colonel Royce stating that we have asked for his recall, because it should not come to him as a surprise and we should not want to find that he is unwilling to return.

Yours sincerely,

President.
